

THE APPLICANT PROCESS

Learn more about what to expect when applying with Cadre!

SEND US YOUR RESUME

The first step is to send us your resume.

In addition to having all of our open positions posted on our website at cadreservices.com, we also list openings on Indeed, LinkedIn, Glassdoor and other job boards. Additionally, you can email your resume to mail@cadreservices.com. We want to make it easy for you to send us your resume!

PHONE SCREEN

A 15-20 minute phone screen is next.

We use this time to learn more about your background and goals. If what you are seeking matches the types of jobs we fill, we will schedule an additional phone interview.

PHONE INTERVIEW

This is where we get into the details!

Our phone interviews generally take 30-45 minutes. We go into detail about your work experience, career goals and desired company culture. If we have open positions matching your criteria and our clients' requirements, we will tell you about them during the phone interview!

FULLY REGISTERED

Get paired with a Personnel Manager.

Upon completion of the phone interview, you are paired with a dedicated Personnel Manager to assist with your job search. Your Personnel Manager will call you on new positions, schedule interviews, answer questions and be with you as you transition to your new role!
